

Writing Coach

& Beta Review

Equipping You To Write Your Story & Publish

Writing Coach

If the story is in you, then it is meant to be written.

So then, How do we go about this daunting task of taking what is in our head, and turning it into a manuscript ready for a publisher?

Discover what's Next!

It empowered me, when someone helped to open up the world of publishing and marketing; a place that seemed hidden. It helped me to finish my book, and even get picked up by a publisher.

Let me help you navigate your writing, publishers, the giant of social media and even self publishing

Getting Ready to Publish

I love to write stories, and inspire others to write their own-clearing out all the doubt and fear that gets in the way.

As a Writing Coach, I will give you the 'How To' coaching to get your book ready for publishing, or self publishing. The more you know, the less intimidated you will be to pursue your writing.
